

## Guideline for Poster Presentation

### Poster Size:

- All poster presentations must be A0-sized poster (841 x 1189mm) and displayed in portrait format.

### Required Elements for a Poster Presentation:

- Heading/Title
- Identification
  - Names of presenters
  - Department/School and University name
- Body: some presentations may include introduction, background, history, materials and methods, graphs, tables, creative designs, pictures, photographs, images, results and discussions, conclusions/implications, future directions and acknowledgements, etc...
- Works cited/references- (Recommend 14-20 point font) if exist

### Legibility & Visual Impact:

- Viewers usually stand 2 meters from a display. Thus, text and captions should be at least 18 point font and may be any style.

### Poster set-up and removal:

- Presenters must bring their posters on the day of the seminar. No poster printing service is available at the seminar venue.
- Posters should be set up before starting poster session 1 on the day of the seminar.
- Posters must remain up the end of seminar, which is 17:00.
- Presenters must be available between poster session time.
- Posters must be removed by the end of the seminar.
